Professional Experience

L'Oréal – *Finance Manager-Trainee (Leadership Program)* — *June, 2024 – July, 2025*, *Moscow, Russia*

- Developed budgets and Trend forecasts for 2025-2026 (~$20M) across L'Oréal Russia's Supply Chain, Internal Employee Store, and «No Waste» Manufacturing Policy.
- Automated financial period closing, improving accounting accuracy and accelerating the process by 15% using SAP scripts and Excel (VBA).
- Restructured internal financial reporting and BI dashboards, improving KPI accuracy across Global and Local Supply Chain Finance reports.

Pre-Graduate Experience

MARS – *Data Analyst Intern* — *June, 2023 – June, 2024*, *Moscow, Russia*

- Analyzed MARS Sales across Regions, Distributor channels, and Branches using Excel (VBA) and Python (Pandas, NumPy, Matplotlib) to pinpoint efficient chains.
- Developed a Power BI Dashboard to monitor the financial performance (P&L) of all MARS distributors in Russia, enabling senior managers to refine Distributor Engagement Strategy.
- Designed a KPI-based quarterly scorecard to evaluate distributor performance, identifying top partners and supporting the development of a Bonus Payout Program

Plekhanov Russian University of Economics (PRUE) – *Researcher (Scientific practice)* — *July'2022 – Feb'2023*, *Moscow, Russia*

- Analyzed CO_2 emissions data (2020–2021) in Russia's manufacturing industries, assessing efficiency and the financial potential of implementing ESG initiatives.
- Supported senior researchers at the Research Institute for the Low-Carbon Economy in Data collection and preparation for academic papers on Environmental and Economic discourse in Russia.

Honors & Scholarships
