Fundamentals of Finance  
Introduction to Corporate Finance  
Introduction to Financial Accounting  
More Introduction to Financial Accounting

Aug 7, 2025

## Egor Grishin

has successfully completed the online, non-credit Specialization

# Introduction to Finance and Accounting

Congratulations! You have completed all four courses of Introduction to Finance and Accounting - a Wharton Specialization. As part of this Specialization, you have gained a deeper understanding of essential corporate finance and accounting fundamentals, as well as learnt how to read, understand and analyze company financial statements. You have learnt the language and grammar of accounting, as well as skills that will help you make more informed decisions using financial information.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
